Sophomore

Best wishes to
a very sweet
girl.
Omalee

Dear Sylvie,
I guess you would like to kill me for spelling your name like I did, but I've gotten used to spelling it that way. Well, I don't know what to say but I'll miss you this year when I graduate. Always remember our Beta convention in Richmond and our "aching feet". Well, hurry and decide on a boy and best of Luck always.

Love,
Jo

"Peanut"
It sure has been wonderful going to school with you this year. I'm looking forward to seeing you again next year, too. Remember all the good times we've had together, especially our "gang parties". Remember that first basement on our team to. All never forget when you, Jean and myself were fighting over him at one time. Love, luck and happiness always.
Julia or "Pudgie"

P.S.
I wrote my name in :) because you said you were going to take it. T. M.

Mid confusion, congestion, contamination, and conjugation we meet! We dedicate our lives to the proposition that there shall be a 1953 Mirror---regardless of cost, F's, or hours. With glasses (both for eye sight and Cokes), pencils, type-writers, and permissible profanity we have dunnit! Here is the pride and joy in all its glorious nostalgic morbidity---remember your staff!
